## The Residences at Portwood

### Green Community Living

- 2 new neighbourhood parks in the centre of the master-planned community
- Over 5 acres of rehabilitated and enhanced Environmentally Sensitive Areas including streams, urban forests and riparian habitats
- The landscape will feature significant tree retention, with 70% of the space kept open and green
- Paths and trails for bike and pedestrian use enhance environmental sustainability
- Accessible pathways between buildings in lieu of paved streets
- 1.5 km active nature trail that surrounds the site, including an inspiring art walk and active nodes
- Built to Step Code 3 with low carbon energy systems

### Building Amenities

- 2,700 SF of lounge space including a connected kids playroom and equipped coworking space
- 1,000 SF fitness facility to keep in top shape
- Over the span of 18,000 SF of outdoor green space, homeowners can enjoy a BBQ, farm table dining area, communal play areas, and outdoor amenity deck
- Bike repair room for cycling enthusiasts
- Owners have exclusive access to 5 e-bikes
- Secure bike and storage lockers available
- On-site car wash and dedicated dog wash room
- Provision for EV charging available in all parking stalls
- Residents enjoy a free Modo carshare membership

### The Joinery

- 14,000 SF of retail space including a neighbourhood grocery store
- Approximately 12,000 SF daycare facility in the heart of the community
- Multi-sport court for friendly competition
- Let your four-legged friends roam free in an off-leash play area
- Multi-purpose plaza space fosters impromptu meet ups
- Destination play area where new friendships flourish
- Cool down in the water play area on warmer days

### Thoughtful Modern Living

- Air conditioning to keep homeowners comfortable during the summer months
- Low carbon energy system for eco-friendly and effortless heating and cooling
- Stunning light or dark interior colour schemes designed by award-winning Cristina Oberti Design
- Natural laminate wood flooring throughout all homes
